Richmond Friends of the NRA News

Our FNRA Committee would like to thank everyone that supported our local Friends of the NRA dinner this year. With your help we again set a new record net of more than \$20,000, you guys are great! 2012's FNRA dinner will be here sooner than you think, May 5th, the first Saturday in May at Elks. We will be using the 8' round tables again and you can reserve a table by getting your friends together and buying 8 tickets. If you or your Company would like to become a FNRA Sponsor or Donor please contact one of the Committee members for more info. Volunteers to sell tickets and help with the dinner are always welcome please help if you can. Your Whitewater Valley FNRA Committee; Steve Foster, Gill McBride, John Cordine, Joan Woodruff, Mike Vernon, Rick and Toni Reece, Brad and Chad Bowman and Bob Hankoski, a special thanks to Avenue Arms for dealing with FFL requirements.

Junior Club Program

Should take off after the first of the year, Bob Marshall will be heading this up.

Indoor Range Update

Indoor range is open and keys are available for \$50.00. Some things are still a work in progress such as partitions and heat for the ventilation system. We have had some contractors in to check out our options and give us some recommendations. Gallery pistol will start Jan. 2nd at 7:00pm.

Outdoor Range Update

Is coming along and should be done in another 10 working days as weather permits

President's Corner

I wish to thank all who attended the fall membership meeting and especially Jerry Templin for closing the nominations for President before any one could run against me.

Hopefully, we will have our indoor range heated and the new partitions installed before we get in to the winter season so the Gallery Pistol and Smallbore Rifle programs can continue as in past years. All are welcome to shoot in these programs weather you are experienced or not as the old shooters are more than willing to help anyone interested in these programs. So, come on down and join us for one or both of these programs.

Membership

As of October's board meeting we have 310 Total.

The five dollars added to the dues will remain in effect this year as we will give another gun away. It was decided to do the gun drawing this way due to Indiana gaming laws. The gun to win this year is a Benelli Nova 12 gauge pump shotgun.

We have formed a committee to take a look at the club's Firearm rental/loan policy, more details to come.

Please keep us up to date on your mailing and e-mail addresses. So we can get you important announcements and calendar changes.

Regards

Rudy Sperling
